

# **Report of the auditor-general to the Northern Cape Provincial Legislature and the council on Frances Baard District Municipality**

## **Report on the audit of the financial statements**

### **Opinion**

1. I have audited the financial statements of the Frances Baard District Municipality set out on pages X to X, which comprise the statement of financial position as at 30 June 2017, and the statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget and actual amounts for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Frances Baard District Municipality as at 30 June 2017, and its financial performance and cash flows for the year then ended in accordance with South African Standards of Generally Recognised Accounting Practice (SA standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2016 (Act No. 3 of 2016) (DoRA).

### **Basis for opinion**

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *Code of ethics for professional accountants* (IESBA code) together with the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

## **Emphasis of matters**

6. I draw attention to the matters below. My opinion is not modified in respect of these matters

### **Irregular expenditure**

7. As disclosed in note 43 to the financial statements, irregular expenditure to the amount of R3 019 265 was incurred due to non-compliance with SCM Regulations and a payment made in contravention with the Bargaining Council.

### **Material underspending**

8. As disclosed in the statement of comparison of budget information and actual amounts, the municipality has materially underspent the overall expenditure budget to the amount of R23 482 602.

### **Other matter**

9. I draw attention to the matter below. My opinion is not modified in respect of this matter.

### **Unaudited disclosure notes**

10. In terms of section 125(2)(e) of the MFMA the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

### **Responsibilities of accounting officer**

11. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with SA standards of GRAP and the requirements of the MFMA and DoRA and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
12. In preparing the financial statements, the accounting officer is responsible for assessing the Frances Baard District Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless there is an intention either to liquidate the municipality or to cease operations, or there is no realistic alternative but to do so.

### **Auditor-general's responsibilities for the audit of the financial statements**

13. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

14. A further description of my responsibilities for the audit of the financial statements is included in the annexure to the auditor's report.

### **Report on the audit of the annual performance report**

#### **Introduction and scope**

15. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof I have a responsibility to report material findings on the reported performance information against predetermined objectives for selected key performance area presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
16. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
17. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected key performance area presented in the annual performance report of the municipality for the year ended 30 June 2017:

<b>Key performance area</b>	<b>Pages in the annual performance report</b>
KPA 1: Sustainable municipal infrastructure development and basic service delivery	x – x

18. I performed procedures to determine whether the reported performance information was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
19. I did not identify any material findings on the usefulness and reliability of the reported performance information for the following key performance area:
  - KPA 1: Sustainable municipal infrastructure development and basic service delivery

## **Other matters**

20. I draw attention to the matters below.

### **Achievement of planned targets**

21. Refer to the annual performance report on page(s) x to x; x to x for information on the achievement of planned targets for the year and explanations provided for the under and overachievement of a number of targets.

### **Adjustment of material misstatements**

I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were on the reported performance information of KPA 1: Sustainable municipal infrastructure development and basic service delivery. As management subsequently corrected the misstatements, I did not raise any material findings on the usefulness and reliability of the reported performance information.

## **Report on audit of compliance with legislation**

### **Introduction and scope**

22. In accordance with the PAA and the general notice issued in terms thereof I have a responsibility to report material findings on the compliance of the municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

23. The material findings on compliance with specific matters in key legislations are as follows:

Annual financial statements, performance reports and annual reports

24. The financial statements submitted for auditing were not prepared in all material respects in accordance with the requirements of section 122 of the MFMA.

Material misstatements of commitments, investments, cash and cash equivalents and financial instruments identified by the auditor in the submitted financial statement were subsequently corrected, resulting in the financial statements receiving an unqualified audit opinion.

### **Strategic planning and performance management**

25. The SDBIP for the year under review did not include monthly revenue projections by source of collection as required by section 1 of the MFMA.

## **Other information**

26. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report thereon and those selected key performance area presented in the annual performance report that have been specifically reported on in the auditor's report.
27. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.
28. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected key performance area presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
29. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate, however, if it is corrected this will not be necessary

## **Internal control deficiencies**

30. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance thereon. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on the annual performance report and the findings on compliance with legislation included in this report.
31. Management did review the annual financial statements and annual performance report, however the procedures performed were not effective in identifying and correcting the material misstatements identified by the auditor.
32. Monitoring of compliance by management was not sufficient as material non-compliance was identified by the auditor.
33. Crucial policies and procedures within the IT department were only in draft format at year-end.

*Auditor General*

Kimberley

30 November 2017

*Auditing to build public confidence*

## **Annexure – Auditor-general’s responsibility for the audit**

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements, and the procedures performed on reported performance information for selected [objectives/development priorities] and on the municipality’s compliance with respect to the selected subject matters.

### **Financial statements**

2. In addition to my responsibility for the audit of the financial statements as described in the auditor’s report, I also:
  - identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control.
  - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer.
  - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Frances Baard District Municipality ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of the auditor’s report. However, future events or conditions may cause a municipality to cease to continue as a going concern.
  - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### **Communication with those charged with governance**

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and here applicable, related safeguards.
